

ADMISSIONS FORM FOR
ELEMENTARY EDUCATION PROGRAM

All candidates to the Elementary Education Program must fill out this supplement application form. The supplemental form focuses on the candidate's desire to be admitted into the Elementary Education Program.

Name: _____ Date: _____

Are you currently enrolled at Hellenic College? _____

If so, what courses have you taken, or are you taking now? (Attach list)

Have you had any work or volunteer experience with children? If so, please describe.

Please answer the following questions. Your answers should be typed and double-spaced. Each answer should be no longer than 350 words. The responses to the questions should demonstrate evidence of candidate's ability to articulate a critical understanding of education and of the candidate's mastery of written skills.

1. What do you see as the most important issue in education today? How do you see teachers as playing a role in addressing that issue?
2. If you could make one contribution to the field of education, what would it be?
3. Why would you like to be a student in this particular elementary education program?

The Director of the Program reserves the right to interview candidates.
